▲▲ The wide console provides adequate space for instruments, glove box for your personal belongings and a large storage compartment underneath.

Swivel seats, side shelves for small things, beverage holders, grab handles and deck lights are only some of the features that make the 520 CC a unique boat in its category. ▼

▲ The foldable ladder at the bow offers quick and easy access to the beach. At the same time, it can be smartly hidden when not in use.

The design of the bow has been emphasized in ergonomics and comfort, both during travel as well as while fishing. Under the seats additional storage compartments exist with locking option. ▶

▲ For even more comfort and luxury add the cushion sets from marine grade vinyls (optional equipment).

The bow is quickly and easily converted into a large bed for sunbathing and rest (optional equipment). ▼
